LARRY SCHUBEL (MANAGER OF ROOMING HOUSE) STATEMENTS

10/11/00 MCINTOSH

Detective NOVAK and I were sent to 6509 W. Greenfield to meet with [REDACTED]. We met in his apartment. He advised us that Robert HUBER had not paid his weekly rent as of 10/06/00. He said that he met with HUBER at about noon this date and advised him to vacate the premises immediately. He seized Mr. HUBER's keys to the apartment and advised him to immediately remove his property.

[REDACTED] provided us a copy of his week to week rental contract and a portion of State Statute 779.43. He said that HUBER did remove some of his property and did vacate his apartment. He said that, a short while later, he went to the room to clean up and remove the rest of Mr. HUBER's property for short-term storage and possible disposal as waste.

Det. Novak reports: I further spoke with [REDACTED]. He stated that Huber has rented room #9 at 6511 W. Greenfield Ave. since May of this year. [REDACTED] stated that the room rental is \$75.00 per week. The rent is due every Friday. [REDACTED] stated that per Wis. Statute rentals involving rooming houses are similar to motels and eviction is not necessary.

[REDACTED] stated that Huber's rental was not paid on Friday, 10-06-00 and was currently five days late. [REDACTED] stated that around noon today he informed Huber to vacate the room and to take his belongings with him. [REDACTED] stated that Huber closed the door to the room. At this time [REDACTED] stated that he could hear the noise of a VHS tape ejecting from the VCR Huber has in the room.

Huber then opened the door and turned over the room keys to [REDACTED] and left. [REDACTED] stated that he entered Huber's room and began to collect his items to place them in storage in the rooming houses' attic.

[REDACTED] stated that he has had problems with Huber in the past. He stated that several months ago Huber was "hitting on" [REDACTED] son. He was warned that his son is "off limits" and to leave him alone.

[REDACTED] stated that about one months ago (WAPD records show 09-10-00) he called the West Allis Police Department as Huber had a 12 year old girl inside of his room. [REDACTED] stated that he monitors, via surveillance camera, from his living room the tenants as then enter the front hallway to the building. [REDACTED] stated that he observed Huber enter the building with a 12-year-old girl. He stated that Huber appeared to have a 12 pack of beer or malt liquor with him at the time.

(WAPD records confirm that Officer Steven Wehr did respond and did find a 12-year-old girl in Huber's apartment.)

[REDACTED] stated that he is a convicted and registered sex offender. He stated that he found it very unusual that Huber would eject the VHS tape. [REDACTED] stated that he pushed the tape back into the VCR and found the tape contained a video recording of Huber having sex with a very young girl in the

West Allis Police Department Incident Report

I0010256

room. [REDACTED] stated that believes that the girl in the tape is the same 12-year-old that police escorted out of the rooming house a month ago.

[REDACTED] stated that another VHS tape was found under the VCR, which also shows Huber having sex with an underage female. [REDACTED] then led us to the room where Huber was staying, #9. He unlocked the door and showed us the two tapes prior to handing them over to us. [REDACTED] did put tape #1 into the VCR. The tape did show what appeared to be a very young girl nude on the bed. Mr. Schubel then handed us both tapes.

[REDACTED] stated that he also found several packs of photos, which show several females, some nude.

[REDACTED] stated that he was going to place Huber's items into storage but after he found the two tapes and photos he stopped and called the police.

[REDACTED] also showed us the video surveillance camera mounted in the closet.

[REDACTED] also gave me a copy of the room rental agreement that Huber has signed on 5-22-00 along with the rules and state laws. This was later placed on property #20494.

In reviewing this form I found that Wis. Statute #779.43 allow for the property of a roomer to be retained by the management until past rental fees are paid. It is also boldly printed in the rules portion of the agreement.

[REDACTED] stated that we could look for other items if we wanted to prior to his removing the items and placing them in storage.

INTERVIEW WITH VICTORIA J WAYCHOFF F/W DOB 04/09/88

10/12/00 MCINTOSH Interview of [REDACTED]

[REDACTED] came to the station with her mother, [REDACTED] Lt. BLASKOWSKI met with them and advised them that I would need to interview [REDACTED]

I met with [REDACTED] in the sensitivity room. She is a senior at Whitnall High School. She said that She was 14 when she first met Bob. She identified a Bob as Robert HUBER. She said that she was dating a boy named [REDACTED] who lived at [REDACTED], which is a couple of doors down from where Bobs parents live. She said that Bob lived there at the time.

West Allis Police Department
Incident Report

I0010256

She said that Bob was in the alley one day and told her that he knew that she liked to sing. He asked her if she wanted to audition with the band that he was in. She told him that she did. She said that she did come over to audition and to watch the band. She said that the band had a female vocalist at the time. She said that the vocalist was a female named [REDACTED] and she would have been about 17 years old at that time.

[REDACTED] said that she was living on [REDACTED] at this time. She said that Bob invited her to watch the band practice on a regular basis. She agreed. She said that, once or twice a week she would watch the band practice at Bobs house on 72nd Str. She said that Bob began to show her how to play the guitar.

[REDACTED] told me that Bob became "touchy-feely" after only a few visits to his house. She said that he complimented her a lot but, at that time, did not make any indecent touching.

[REDACTED] told me that Bob invited her over to his house for New Years eve. He told her that he was having a party and that the band members and other people would be there. I note that [REDACTED] was now 15 years old. [REDACTED] also told me that Bob told her that she would continue with guitar lessons and that she would soon be a member of his band.

She said that she went to Bob's party. She said that only she and Bob were at the house when she arrived. She said that Bob gave her a mixed drink. She said that Bob also gave her a marijuana cigarette and that they smoked it.

She said that Bob told her that he was involved in Magic. She said that he was part of a magic group that he wanted to join. He "proved to her" that magic was real by telling her that magic was how he knew that she liked to sing. He had also commented about a night out with her friends at the movies. She did not think that he could have known those things unless he had magic on his side.

She said that he showed her some magic books. She said that he then offered to draw magic runes on her body to protect her from certain spells, which may be cast by members of other magic groups. She said that, because she associated with him, She would become a target of spells. He told her that he could protect her from spells by drawing (wards, my word) on her body.

She said that she allowed him to draw roses on her inner thighs. She said that she did remove her pants and underpants so that he could make this drawing. She said that no other person ever arrived at Bobs New Years party.

[REDACTED] made reference to another magic group that was against Bobs magic group. She indicated that one of the persons in this group was a female named [REDACTED]. She said that she actually met [REDACTED] once. She said that [REDACTED] was at Bobs house and that she was blond woman about Bobs age.

She said that she continued to go to Bobs house to watch practices and learn guitar. She said She and Bob routinely smoked Marijuana together. She said that Bob continued to draw magic symbols on her crotch. She said that she would leave her top on but have her pants and underpants off. She said that in the middle of February, Bob was drawing a magic symbol on her crotch and just began to have oral sex with her. She described the oral sex as his having his tongue on her vagina and licking her vagina.

West Allis Police Department Incident Report

10010256

She said that this continued, still at the rate of her visits to his house of 1-2 times per week. For about 1 month, from the middle of February until the middle of March, Bob would draw wards on her crotch and then have oral sex with her. She reiterated that she was 15 at this time and that, after band practice, and while alone with Bob, they would smoke marijuana and her would perform oral sex on her.

She said that in March, Bob stood in front of her with his penis exposed. She said that she knew that he wanted her to perform oral sex on him. She said that Bob had shown her articles about oral sex. She said that the articles were in his magic books. She said that the books indicated that she could gain power and protection by having oral sex with a male involved in magic.

She said that she did not want to perform oral sex but Bob told her to kneel down and do it. She said that she did perform oral sex on Bob and that he ejaculated and that she swallowed his semen.

She said that she performed oral sex with Bob once a week between March and June. She said that, during this period, Bob also performed oral sex on her.

She said that in June or July, Bob had penis to vagina intercourse with her. She said that Bob did wear a condom. She said that she had intercourse 6 times with Bob. She is pretty sure that Bob wore a condom each time. She said that Bob had intercourse with her about once a month when she was 15 years old, 3 and she had intercourse with Bob 3 times when she was 16 years old. She said that Bob stopped having intercourse with her around the end of that year, possibly in December.

She said that during this time the oral sex continued. She said that all of these events happened at Bobs (parents) house. She said that some happened in the basement and some were in one of the bedrooms upstairs on the second floor (they used both).

She said that this continued into the summer before she turned 17. She said that one time, Bob was babysitting for someone on 65th or 66th and Lapham Str. She remembers that it was in the summer months. She said that there were 3 children in the house. She said that Bob tied her hands to the bed and performed oral sex on her.

_____ told me that during the summer before she was 17, she began to doubt that there were magical benefits to having oral sex. She said that she was at Bobs parents house and he wanted her to "go upstairs." She said that going upstairs meant that it was time to have sex. She said that she did not want to go upstairs. She said that she did not want to have sex today. She said that Bob grabbed a kitchen knife and held it in front of her face and screamed at her. She said that he said words similar to "If you don't do this, your enemies will kill you, or maybe I will kill you. She said that this action and words caused her to have oral sex with Bob.

_____ said that a few weeks later, She did not want to have sex and Bob choked her by the throat and told her to have sex with him and she complied.

At this point I asked _____ if she believes in magic. She said that she does not but does not completely discount the idea that it exists. She said that she feels a little foolish about this but that she feels she was trained to believe this.

West Allis Police Department
Incident Report

I0010256

I asked her what kind of things she remembered about oral sex and magic. She remembers that oral sex provided protection magic. She remembers reading something about astral projection. She said that she and Bob would sometimes chant things during, before or after sex. She said that she does not remember the words except that it was Latin.

I note that [redacted] said that she spent between 1 to 3 hours during her visits with Bob and that She was mainly learning the guitar and then smoking marijuana and then having sex at this point in time.

[redacted] said that, In March or April of the year that she was 16, her family moved to Hales Corners, where she currently resides. She said that she still attended West Allis Central High School on 85th and Lincoln and that she took a City Bus home.

[redacted] said that her parents knew that she was visiting Bob and knew that the purpose was guitar lessons. [redacted] said that she under-reported the frequency of her visits with Bob. She said that when she had just turned 16 years old, Bob called the school and helped her skip out. She said that her parents found out about this and became angry with Bob. She said that she had to conceal her visits with Bob more at this time.

She said that after school (Central) ended she had to take the bus to see Bob. She said that he did pick her up once and a while. She said that in March or April of the year that she was a junior at Whitnall H.S., she received a call from Bobs parents. She said that they had found 2 video tapes that Bob had made and asked her to come to their house to talk about it.

She said that she did go to their house and that Bobs parents gave her the tapes and said that she could go to the Police if she wanted to. She said that they said that they would understand if she did. She said that they were going to punish Bob for this by kicking him out of their house. She said that she did take and keep the tapes.

She said that the tapes were hidden in her parents house. She said that she did have some other items that Bob had given her or that she had received from him. She said that she had some threatening letters from him and some supposedly magical items.

I asked about the call from the parents and her discovery that Bob had been video taping them having sexual contact with each other. She said that Bob had told her about the tapes a few months before this but that she had not seen the tapes. She said that, after she started her Junior year at Whitnall, Bob told her that he had the tapes. He told her that she was not coming to see him enough and that if she did not change this, he would distribute the tapes to her parents, or school friends, or the internet.

She said that she stopped going to see Bob in spite of his threats. She said that he began calling her house and making threats. She said that he began sending threatening letters to her house. She said that other people began calling her house. She said that she had some of the letters that Bob sent her. She said that Bob also began threatening her little sisters safety.

She said that Bob made direct threats and also magical intervention type threats, including murderous threats.

She said that she did it fairly often and, within 2 weeks, her parents noticed this and had her seen by 2 therapists. She said that she saw the therapists for about 2 months. She said that she did not disclose the fact that she was having sex with Bob to the therapist because she feared that they would tell her parents.

She said that she saw Bob about a year ago when she was working at St Ritas festival. She said that she was there with her parents. She said that Bob came up to her. She said that she told Bob that her family was waiting outside in a separate car. She said that Bob made her promise to return to his apartment on Saturday. I transported ██████████ home. I met with her father and mother and discussed this case with limited disclosure. ██████████ did retrieve 2 VHS cassette tapes and two pouches and some letters. Mr. ██████████ made a call to an old neighbor who said that ██████████ may be ██████████.

VIDEO TAPE SEIZED FROM [REDACTED] - PROPERTY # 20458 #A

Det. Novak reports: The above listed property was turned over to myself and Det. McIntosh on 10-11-00 by [REDACTED]. [REDACTED] at the time thought that the female in the tape with Huber was the twelve year old girl that he had seen in Huber apartment on 09-10-00. In viewing the tape we found that the female was in fact [REDACTED].

In viewing this tape I found that there was no audio. The taping takes place at Huber's rental room at [REDACTED]

The visual tape begins with extensive recording of Huber's empty bed. Later in the tape Huber is seen taking still photo of [REDACTED] who is nude except for the dark panties she is wearing. Huber ties [REDACTED] hand and feet to the bed and then unties her feet so that he can remove her panties and then reties her feet to the bed again.

He then unties her from the bed and ties her hand behind her back. He then shows her tarot cards before un- tying her. She is off the bed and out of the range of the fixed camera.

Huber then has [REDACTED] face down on the bed and ties her hand to the bed. Huber then kneals in front of [REDACTED] and places his penis in her mouth. After 2-3 seconds [REDACTED] stops and faces away from Huber's penis. It is obvious on the tape that she does not want to perform oral sex on Huber. Huber then grabs hold of [REDACTED] hair and places his penis in her mouth again. She again stops and he again grabs her hair and puts his penis in her mouth. She again stops and this time Huber grabs [REDACTED] hair with two hands and places his penis in her mouth. Again she stops and again he puts his penis in her mouth. [REDACTED] is still tied to the bed unable to use her hand to defend or free herself.

[REDACTED] is very upset and appears to be crying. She turns her head to the side and refused to continue. Huber is seen attempting to lift her head back to his penis by force. He leans to the left and attempts to use his body weight in forcing her to continue the oral sex. His hand is firmly grabbing her hair. Huber then walks away. [REDACTED] is seen sitting on the bed, motionless, with her face down. Huber talks to her and gives her a cigarette. Her hands are still tied to the bed.

She said that they agreed to meet later to talk about band membership and other things. She said that they did meet at the Burger King on 68th and Greenfield. She said that they went to his apartment from there. She said that they talked about the band, making videos, and doing some choreography while she was there.

She said that Bob wanted to meet each of them separately after this. It was [redacted] understanding that She was to sing and [redacted] was to do some choreography, and being 2 separate disciplines, it was logical to meet separately.

She said that later that week, in very early June, before school let out, she met with Bob in his apartment. She said that they talked about tarot cards, creation theories and past lives.

[redacted] was asked to continue after a while and had to given time to gather herself. I gave her a box of Kleenex. She said that Bob asked her to take her clothes off. She said that she did this and does not know why except that Bob had explained that it was a trust thing.

She said that she was then told to lie face down on the bed and that Bob tied her hands and feet to the bed with what appeared to be shoestrings. She said that this was also a trust thing. She said that Bob drew a design on her back. She said that he started talking to her about never getting sick. She said that she is always sick with something or another and this sounded very good to her.

Bob told her that he could give her immunity to illness.

At this point [redacted] was very quiet and I decided to ask about other things. She said that the finger armor belongs to her and that she bought it at Hot Topic at Southridge. She said that it was left in the apartment so that Bob could put a spell on it for her. [redacted] was asked if she thinks that magic exists. She replied that she is unsure.

I asked her what happened next. She said that Bob told her to suck his dick. She said that he told her that it would give her immunity to disease. She said that she did. She said that she stopped a couple of times and Bob would encourage her to continue and she would.

She said that she finally stopped and curled up on the bed.

I asked her if he did anything else. She said that she tapped her with a whip and also inserted the whip into her vagina. She said that she only had sex with him one time and that she did not know that he was video taping her. She said that she will press charges for the unauthorized video taping or other wise assist with this case even if her case is not charged.

In regards to her involvement with [redacted] she made the following statements. Bob told her that he had dated [redacted]. He told her that she was an integral part of their magic group and necessary to "make magic happen."

He told her that He and [redacted] were supposed to be together and had been married in a past life. She said that Bob gave her [redacted] the number. He knew that [redacted] had known her from the past. [redacted] states

that she had lost track of [REDACTED] after she had moved from her old neighborhood. She said that she and [REDACTED] had never been friends.

She said that she did call [REDACTED] and had to explain who she was. She told [REDACTED] that a friend of hers needed the magic items that Bob had given her. She said that she convinced [REDACTED] to return the items at the Burger King on 68th and Greenfield. She said [REDACTED] did meet her. She convinced [REDACTED] to go to Bob's apartment under the ruse that she, [REDACTED], lived there.

She said that [REDACTED] trusted her and went. She said that Bob was there and took them to his room. He said that Bob told [REDACTED] to leave, which made her feel uncomfortable. She said that [REDACTED] left shortly after that.

[REDACTED] denied using any drugs at any time with Bob.

As an example of how Bob works, she noted that Bob told her that they were alike in that they have the same initials and were born on the same day of the year as each other.

[REDACTED] performs oral sex on Huber as he is standing and sitting. Huber is also fingering her vagina.

(#2) Scene takes place at Huber's parent's house. Both Huber and [REDACTED] are clothed and are looking at a magazine. [REDACTED] undresses and she kneels down and starts to give Huber oral sex. Huber is fingering [REDACTED] vagina as she performs oral sex on him and as he is ready to ejaculate in her mouth he holds her head down to force her to swallow his ejaculate.

(#3) Scene takes place at his parents house, [REDACTED] is undressed and she puts a top on and lies on a table with her legs spread as Huber draws on her pubic area. Huber then ties her hands together behind her back and has her kneel on the floor. As Huber goes from sitting to standing and back to sitting his is forcing [REDACTED] to perform oral sex on him. Huber attempts to hold [REDACTED] head down as he ejaculates in her mouth but she does not swallow his ejaculate. Instead when she is allowed to pull her head off of his penis she leans to the right and spits the ejaculate on the floor as she coughs. It is apparent that [REDACTED] is upset about this and she starts to cry. Huber is talking to her and he then grabs the back of her head and forces her to put her mouth on his penis again performing oral sex on him. This time Huber again ejaculates in her mouth and she leans to the left and spits his ejaculate out of her mouth. [REDACTED] is still visibly shaken about that Huber was doing to her.

[REDACTED] also turned over to detectives several letters she received from Huber. These letters detail death threats to both Janelle and her sister if Janelle goes to the police. The letters are attached. In some of the letters Huber is the author but tries to disguise his identity by using his former girlfriend Becky's name. He also drafts letters to appear that [REDACTED] is the author. In some of the letters to Janelle Huber threatens to kill [REDACTED] and her entire family for leaving him.

He makes references to her leaving her master and that she and her family would be killed.

10/19/2000 Lt. Blaskowski.

I received a call from Parole Agent Mike Walczak agent for Huber requesting a copy of this report for his parole revocation proceedings. I provided him with a copy of the report.

She denies ever hearing a reference to "Nimue." I note that this name was used to describe [REDACTED] in HUBERs letter to [REDACTED]. I did not explain the question.

[REDACTED] and I then left Whitnall and drove to West Allis for the purpose of identifying where Bob lived and thus, committed the above acts. We exited 894 at National Avenue and drove east to the signal at W. Lincoln Ave. I told Janelle that I would like her to direct me to Bob's parents house. She directed me east on National to 72nd Str. We went directly to 1443, which she pointed at and described as "this gray house, which is next to the peach house."

She then directed me to drive to Greenfield Ave. We went east to 6511 W. Greenfield. She pointed at the door and said that this was the place that Robyn brought her to and noted that they went upstairs.

I asked [REDACTED] if she had viewed the tapes given to her by Bob's mother, [REDACTED]. She said that she started to watch one for just a couple of minutes and then did not watch anymore. She said that the images that she saw depict her at the age of 15 years old.
